Criteria for Parishioner Rate

This rate is available to those who are registered with St. John Fisher Parish, attend Mass and parish events on a regular basis, and support the Parish through identifiable weekly or monthly contributions (via Church envelopes or Pre-Authorized bank Debit); in addition, the family must have completed the annual parish pledge/commitment card.

Actual Cost per Student

The actual cost to educate each student during the 2019-2020 school-year is \$9,612. The "Parishioner Rate" is less than both this amount and the "Non-Parishioner Rate" chiefly due to the subsidy that St. John Fisher Church provides to the school operating budget based on weekly Parish and Catholic Education collections.

Note: Any family who is able to fund their child/ren's education at St. John Fisher School at the full \$9,612 per student level is able to receive a tax deduction for the difference between this actual cost and the formal tuition rate listed above.
